

Policy 210.09: Consent Agendas

Status: ADOPTED

Original Adopted Date: 01/01/2016 | **Last Revised Date:** 05/01/2021 | **Last Reviewed Date:** 05/01/2021

Very often the board must consider agenda items which are noncontroversial or similar in content. Such agenda items might include ministerial tasks such as, but not limited to, the approval of the agenda, approval of previous minutes, approval of bills, approval of reports, etc. These items might also include similar groups of decisions such as, but not limited to, approval of staff contracts, renewal of recurring vendor contracts, approval of maintenance details for the school buildings and grounds, open enrollment requests or approval of various schedules.

In order for a more efficient administration of board meetings, the board may elect to use a consent agenda for the passage of noncontroversial items or items of a similar nature.

The superintendent in consultation with the board president and board secretary shall place items on the consent agenda. By using a consent agenda, the board has consented to the consideration of certain items as a group under one resolution. Items may be removed from the consent agenda at the request of a board member.

Nothing in this policy is to be construed as an attempt to avoid full compliance with laws dealing with open meetings or public notice of the agenda and meeting.
