

## Trash and Recycling Proposal (RFP)

For Dallas Center -Grimes Community School District

Due: 11/14/2025

**Company Information:** Waste Connections of Iowa, Inc., 4705 NE 22<sup>nd</sup> St, Des Moines, IA 50313

**Contact information:** Karla Stessman, District Sales Manager 515-265-7374

Waste Connections of Iowa, Inc has been providing trash and recycling services in the Des Moines and surrounding communities for almost 50 years. We provide residential, commercial and industrial services and offer a variety of container sizes, and frequencies to best suit each individual customer's needs. Our district office is located in Des Moines, and we staff 65 employees. When you call to speak to a customer service representative, you will speak to a live person that is located here locally. We strive to respond to all questions, concerns, issues within the same day and no more than 24 hours.

We work with our customers to provide all the recycling educational material (see attached Recycling Guidelines flyer). We also provide educational presentations to students, staff or janitorial employees that might need a refresher on the dos and don'ts of recycling. We will work with each location with contamination issues, and work to minimize these and can offer locked containers if you feel the issues are from outside sources. All recycling is taken to a local recycling facility in Des Moines where the material is sorted and processed to markets where in most demand.

Trash containers should not be overloaded and lids closed. Our team will also work in "rightsizing" if we should determine that the size and frequency of services needs adjusted. We do provide seasonal services during the summer months too, should you need to change frequency or go on call during those months.

**Proof of insurance:** attached as a copy of our sample Certificate of Insurance.
