

Policy 501.06: Student Transfers In

Status: ADOPTED

Original Adopted Date: 12/01/1996 | **Last Revised Date:** 03/01/2022 | **Last Reviewed Date:** 03/01/2022

Students who transfer into the Dallas Center-Grimes Community School District must meet the immunizations, screenings, and age requirements for students who initially enroll in the District.

The school district will request the student's cumulative records from the previous school district. If the student cannot offer proof of grade level, the superintendent will make the grade level determination. The superintendent may require testing or other information to determine the grade level. Students expelled or suspended from their previous school district will only be enrolled after approval of the board.

The board may deny admission if the student is not willing to provide the board with the necessary information.
