

**Policy 801.02: School Facilities Surveys**

**Status:** ADOPTED

**Original Adopted Date:** 08/01/1989 | **Last Revised Date:** 11/25/2024 | **Last Reviewed Date:** 11/25/2024

It shall be the policy of the Board of Directors to contract, upon the recommendation of the Superintendent of Schools, for the services of consultants or other resource personnel to study particular needs of the District. The need for such special studies shall be recognized well in advance, so that budgetary provisions can be made.
