

Policy 702.11: Inclement Weather

Status: ADOPTED

Original Adopted Date: 01/01/1982 | **Last Revised Date:** 02/24/2025 | **Last Reviewed Date:** 02/24/2025

School District buses will not operate when weather conditions due to fog, rain, snow, or other natural elements make it unsafe to do so. The superintendent will make the final judgment as to when conditions are unsafe to operate. When school is canceled because of weather conditions anywhere in the District, all schools will be closed.

When weather conditions deteriorate during the day after school has begun, cancellation notices will be announced as soon as possible to patrons. Students will be returned to their regular drop-off sites unless weather conditions prevent it. In such cases that students cannot be returned to their regular drop-off, students will be kept at school until the parents pick them up.
