

**Policy 705.06: District Provided Electronic Communication Devices**

**Status:** ADOPTED

**Original Adopted Date:** 01/01/2007 | **Last Revised Date:** 08/12/2025 | **Last Reviewed Date:** 08/12/2025

The Board believes that some District employees must have immediate and frequent communications regarding school business. To support this communication need, the District will provide a monthly stipend for those employees that meet this standard.

The superintendent will be responsible for identifying and approving staff members meeting the standard for a monthly stipend for costs related to electronic communication devices.

The Board will determine the monthly reimbursement.
