**Status:** ADOPTED

**Original Adopted Date:** 04/01/1989 | **Last Revised Date:** 10/28/2024 | **Last Reviewed Date:** 10/28/2024

The Board recognizes the convenience to families and students of having students (grades 9-12) drive to and park at their school attendance center. Driving a motor vehicle to and parking it as the student's attendance center is a privilege.

Students who drive to and park at their school attendance center shall only drive to and park at their designated attendance centers or at another district's attendance center for the purpose of attending extracurricular activities. Students may not loiter around or be in their vehicle during the school day without permission from the principal. Students shall leave their attendance center when there is no longer a legitimate reason for them to be at their attendance center. Students who drive shall enter and leave the parking lot by the routes designated by the principal.

Students who wish to drive to and park at their school attendance center shall comply with the rules and regulations established by the high school building administrator. Failure to comply with this policy or the School District rules shall be reason for revocation of school driving and parking privileges as well as other disciplinary action including suspension and expulsion.
