

Policy 904.01: Transporting Students in Private Vehicles

Status: DRAFT - 2nd Reading

Original Adopted Date: 05/01/2021 | **Last Reviewed Date:** 05/01/2021

Generally, transporting students for school purposes is done in a vehicle owned by the school district and driven by a school bus driver. Students may be transported in private vehicles for school purposes. It is within the discretion of the superintendent to determine when this is appropriate.

Individuals transporting students for school purposes in private vehicles must have the permission of the superintendent and meet all applicable requirements set by the district. Prior to transporting students in private vehicles, the district may require the following:

- The vehicle used to transport the student(s) is in good condition and meets all applicable safety requirements;
- The driver transporting the student(s) possesses a valid drivers' license;

The school district assumes no responsibility for those students who have not received the approval of the superintendent and who ride in private vehicles for school purposes. If transportation is not provided by the school district, or if transportation provided by the school district is declined by the student or parent/guardian, then the responsibility and corresponding liability for transportation for school purposes shall rest solely with the student and parent/guardian.

School employees shall not coordinate, facilitate, or encourage transportation of students in privately owned vehicles to or from school-sponsored activities, including arranging for students to ride with other students (or parents), unless expressly approved in advance by the superintendent. This does not prohibit parents/guardians from independently arranging private transportation for their own child.

This policy statement applies to transportation of students for school purposes in addition to transporting students to and from their designated attendance center. The superintendent may develop an administrative process to implement this policy.
