

**Job Title: IT Support Lead**

Job Family: IT

Pay Program: Classified

Job Code:

Typical Work Year: 12 Month Position

Reports to: Technology Director

SUMMARY: The IT Support Lead position is responsible for monitoring, assigning, and responding to technology support tickets and for maintaining an accurate inventory of the district's technology assets. Duties include but are not limited to providing on-demand technology assistance for district stakeholders, identifying and documenting common problems and solutions in the district's HelpDesk system, submitting warranty claims and insurance paperwork to third parties, and designing and implementing effective inventory procedures. The IT Support Lead will provide primary oversight of the district's HelpDesk system with a focus on ensuring efficiency, accuracy, and responsiveness.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Provide on-demand technology assistance and support to all district users.
- Deliver technical assistance and support in-person, over the phone, and online.
- Create, respond, and resolve technology support tickets for both hardware and software issues.
- Submit complete, accurate, and timely data for all eligible break/fix insurance claims.
- Prioritize technology support tickets for efficiency and assign to other roles as necessary.
- Adding solutions to the district's HelpDesk system to improve efficiency and time management.
- Developing consistent language regarding documentation on repair tickets and insurance claims.
- Lead the deployment, management, and repair of student 1-to-1 devices (iPads and Chromebooks).
- Assign and collect devices for incoming/outgoing students and staff.
- Implement inventory procedures to track technology assets by building and by classroom.
- Update inventory records in all district systems including Google Admin and Mosyle MDM.
- Prepare, receive, and organize orders for parts, accessories, and consumables in the department.
- Demonstrate cybersecurity best practices and model such practices for all district users.
- Follow directions with minimal supervision and collaborate effectively in a small-team setting.
- Attend work regularly and on time while maintaining an accurate record of hours worked.
- Follow all district policies and procedures at all times, paying particular respect to safety.
- Provides information to the Director of Technology on all matters of relevance.
- Assume other duties and responsibilities as assigned.

Job Tasks Descriptions	Frequency	% of time
1. Monitor and respond to technology problems reported by users via the district HelpDesk system and assign to other roles as necessary. Develop documentation for common problems and exhibit strong customer service skills	Daily	50%
