i. School Improvement Advisory Committee (SIAC) Update

School Improvement Advisory Committee (SIAC) Update

It was a pleasure to host the final SIAC meeting of the school year in the Oak View Commons on Monday, May 4, 2026. This meeting was a great opportunity to share highlights from the 2025-2026 school year as well as progress towards our district goals.

The presentation included the following topics/information:

- Welcome
- SIAC Overview and Purpose (Review)
- School Improvement Review for 2025-2026 School Year
- Use of Artificial Intelligence in Education Discussion
-
- District Updates w/ Dr. Blum
 - DCG Strategic Plan Updates
 - Legislative Updates
 - Summer Facilities Update

On behalf of our entire Dallas Center-Grimes Community School District team, I would like to thank our parents, community members, and administrators who selflessly gave their time and feedback, ideas, etc...to help us grow and improve as a district. Their dedication of time and energy to this group was greatly appreciated.

As this was our final SIAC for the school year, there are no additional documents to share. Moving forward, our building principals have started the process of identifying our SIAC members for the 2026-2027 School Year.

ii. Teacher Quality (TQ) Meeting Updates

iii. Professional Development

Professional Development Updates and Information

Date	Length / Format	Level
May 6, 2026	Early Dismissal	District Level
May 13, 2026	Early Dismissal	PLC Team Meetings
May 20, 2026	Early Dismissal	District Level
May 27, 2026	Early Dismissal	Building Level

May 6, 2026

The focus of this early dismissal will be on Professional Learning Communities (PLC) work at each grade level / content area team. Providing time for our teams to collaborate around the 4 Questions of a PLC team is an important time for our teams. Building administrators, Instructional Coaches, and PLC team leaders help to facilitate the learning of these teams. Our K-12 Encore teams will meet together as well.

In addition, our classified staff members were grouped with a partner building for a training on both understanding student and staff motivation in helping to work successfully with students. Cary Justmann, Aly Finley, and other district leaders were there to present the content.

May 13, 2026

District-level professional development focused on summarizing the elements of the Professional Learning Community (PLC) Process and integration with the Stronge Instructional Framework. Our focus for this session will be to provide teachers with guidance related to the value of the PLCs in improving student learning. Staff were provided with an overview of the 3 Big Ideas of PLCs as well as a view of tight and loose expectations for PLC implementation. Our building principals and Instructional Coaches will then provide an overview of the future of PLCs for the 2026–2027 school year. Teams will then have time to work as a PLC for the remainder of the time.

May 20, 2026

Building-level professional development tailored to the building and district goals for the 2025-2026 school year. Building leadership teams and administrators are responsible for leading this work for each building.

For Classified staff members, this Wednesday is provided as an OPTIONAL Wednesday training where they may work to complete district training for the 2026-2027 school year in our Vector Training System.

May 27, 2026
