When Services are being performed on a lump sum basis, if Advance Services, through no fault of Supplier, requests, in writing, work in excess of the workweek specified, Supplier shall pay the straight time portion of wages plus applicable taxes and Advance Services shall pay

the premium time portion plus applicable taxes. No overhead or profit may be added to premium time. Insurance may be added only in states where insurance premiums are payable on overtime.

28. Reservation of Rights.

Either Party's waiver of any of its remedies afforded hereunder or by law is without prejudice and shall not operate to waive any other remedies either Party shall have available to it, nor shall such waiver operate to waive either Party's rights to any remedies due to a future breach, whether of a like or different character.
