

Dallas Center Elementary

DCE Vision: *To be a student-centered, inclusive community where all are welcome to learn, grow, and make a positive impact together.*

DCE Mission: *DCE empowers students to create an inclusive community by being kind, safe, and showing PRIDE.*

Date 5/2026

DCE Building Goals:

K-2 Goal 1 - DCE Literacy Goals and Actions

- 85% of K-2 students will be fluent readers as measured by the FAST earlyReading screener and CBMR Screener by May 2026.

3-4 Goal 1 - DCE Literacy Goals and Actions

- 80% of 3rd/4th graders will be proficient as measured by aReading by May 2026.

Goal 2 - Social Emotional Wellness

- With explicit social/emotional behavior instruction, and MTSS supports, students at DCE will decrease undesired behaviors by 35% as measured by major referral documentation.

Collaboration

Our Building Leadership Team (BLT) has been actively preparing for next year's MTSS-B system by refining protocols and strengthening available resources to better support students and staff. The team is intentionally aligning this work with the district professional learning being provided through Central Office to ensure consistency and effectiveness across the system. Their collaborative, reflective, and forward-thinking approach continues to move our building in a positive direction and supports a strong foundation for student success.

Innovation

Supportive

We would like to celebrate a successful year for the DCE backpack program! This program provides nutritional assistance to families on the weekend, by sending home a bag of groceries each Friday. This program would not be possible without the partnership with the HyVee Grimes store. We are so grateful for their commitment to helping support the families of Dallas Center Elementary.

I would like to thank Mallory DeLacy for leading this amazing program for our students!

Inclusive

DCE continues to provide meaningful and inclusive experiences for our students. Our kindergarten students recently enjoyed a field trip to the zoo, creating memorable hands-on

	learning opportunities together. Our fourth graders have continued their partnership with residents at Spurgeon Manor through visits and pen pal connections developed throughout the year, fostering relationships across generations. In addition, our 1st and 2nd grade teams have been collaboratively planning and problem solving in innovative ways to best support students and one another for the upcoming school year. Their teamwork and commitment to meeting student needs continue to strengthen our school community.
Passionate	I would like to sincerely thank the DCG School Board for your support over the years. It has been an honor to serve as the DCE principal and DCG preschool director. I have been incredibly fortunate to work alongside such amazing staff members who genuinely care for and support one another each day. The DCE team has continually risen to every challenge presented to them, and I have no doubt they will continue to accomplish great things in the years ahead. I feel truly blessed that DCG has been the final chapter of my career, as the memories and relationships built here will stay with me forever. - Deb Cale
