

Policy 604.08: International Students

Status: DRAFT - 2nd Reading

Original Adopted Date: 04/01/1989 | Last Revised Date: 04/01/2022 | Last Reviewed Date: 04/01/2022

International or foreign students must meet the district requirements of age, immunization, reside within the boundaries of the District and are recommended by a licensed or authorized student exchange organization by the Iowa Department of Education. International students may be enrolled and attend school without a textbook fee or activity card fee. The Superintendent and/or principals may authorize the enrollment of such international students, provided; however, that no more than three international students are enrolled for the school year. Any additional international students may be enrolled only upon the approval of the Board of Directors. Students who are citizens of a foreign country will be considered residents if they meet one of the following requirements:

- The student resides with his/her parents(s) or legal guardian;
- The student is in the United States with appropriate documentation (Form 1-20) from the United States Department of Justice-Immigration and Naturalization Services.

Qualified international students may be enrolled upon approval of the Superintendent or designee and attend school without tuition if they are recommended by an approved organization which sponsors international students and if they reside within the boundaries of this District. Other school fees will be paid by the student. There will be a maximum of six qualified international students per high school allowed.
