OUR TEAM

ABIGAIL CROSS

GENERAL MANAGER

Prior to EverLine Coatings and Services, Abigail has spent her entire professional career in client relations whether that be through real estate or working in the service industry. She has always taken pride in making all clients experience the best she possibly can. Abigail's passion for hard work and helping others is contagious and something that sets EverLine apart from the others.

Being born and raised in Urbandale she takes pride in her community. Watching her father run a small business in the Des Moines area for over 40 years now, she grew up seeing the importance of staying true to her word and organically growing a successful business. She learned early on the importance of making sure every client's experience is the best she possibly can. Abigail can't wait to see how she can help you and is excited to do her part to continue making our local community even better through the services offered by EverLine!

AGREEMENT

In order for us to provide the best service at the best possible price, we request our clients assistance in...

- Having work areas clean and free of debris, tools or obstacles before our arrival - This ensures efficient production of our crews.
- Irrigation or sprinkler systems turned off before and during our scheduled visit.
- Adequate lighting turned on for the entirety of our scheduled visit.
- Ensuring the site is a safe working environment (according to OH&S standards) for our team members.

All work will be completed as per the Scope of Work provided to EverLine Coatings.

We are here to work with you! If you are unable to accommodate the above requirements, please let us know before our scheduled visit so we can make necessary adjustments.

If our crews arrive on site and any of the above requirements are not met there may be additional fees charged above the quoted amount.

Please feel free to contact us if you have any questions or if there is anything else we can add to make this a great experience.

We look forward to working with you!
